A PERSONAL NAME INDEX TO

EARLY DUTCH SETTLERS OF MONMOUTH COUNTY, NEW JERSEY

BY GEORGE C. BEEKMAN

(1901)

prepared by

Joseph L. Druse

1969

All personal names included in the work are indexed, save those of kings, governors, presidents, etc. who have no genealogical relationship with the Monmouth county area. Where a married woman's maiden name is known, she is indexed thus; if it is not known, she is indexed under her husband's family name. Pages marked * indicate that two or more individuals of the same name appear on the page. Variants of Christian names which are probably only misspellings are grouped together; other variations appear separately. Family names are in capital letters; Christian names are in lower case.
